

StandAlone - Mid Volume

The most advanced and simple desktop pressure sealer

The most user-friendly Desktop Pressure Sealer

Postmate V

The Postmate V offers the most user-friendly and simple Desktop Pressure Sealer. It provides the slide-out fold unit for the easiest maintenance and its manual feeder allows single form processing. The Postmate V is ideal for a small to mid-volume customer.

01 Revolutionary Folding Unit

Form size and folding positions are easy to adjust and can be set in a matter of seconds.

02 Revolutionary Hi-Tech Folding Unit and Sealing Rollers

The folding unit slides out on glides to permit easy access to the pressure rollers for maintenance.

03 Manual Feeder

A simple manual feeder allows the processing of single or damaged forms.

04 Jam Free Press Roller

The reverse rolling system on the Postmate 5 automatically reverses direction and kicks back any forms that are jammed in the pressure rollers. This eliminates the operator from having to use a tool to back out a jam.

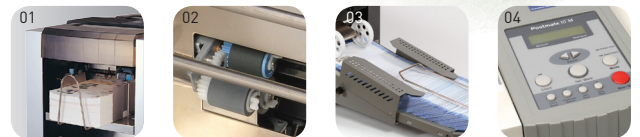

Specifications

Form Size	A4 / Letter / Legal (option)
Input Tray	150 sheets
Speed	4,250 sheets per hour
Fold Setting	Manual
Paper Weight	60-120gsm
Fold Type	Z, C, V & Double parallel
Output Capacity	200 sheets
Display	3 Digital Characters
Duty Cycle	50,000 forms per month
Weight	36kg
Dimensions	430 x 400 x 260mm (WxLxH)

Postmate III M Plus

The Postmate III offers the most dependable and reliable Mid-range Desktop Pressure Sealer. Up to 1,400 Sheets can be loaded in the feeder and processed at speeds up to 7,200 sheets per hour. It provides the Superior FRR (Friction Reverse Roller) feeding system and user friendly operator's panel.

01 Large Capacity In-feed Tray

Easy to load, auto-life in-feed hopper holds up to 800 pressure seal forms for time-saving throughput processing.

02 Friction Reverse Roller (FRR)

Unique FRR system, automatically detects, singulates and feeds doubles without any operator intervention for increases productivity.

03 Auto-Extending Conveyor Stacker (Optional)

Conveyor extends automatically dependent upon the number of forms being processed. Easily stacks up to 650 processed documents.

04 Easy & User Friendly Interface

Includes an easy to use auto stop and auto re-start function, electronic thickness detection, and batch counter.
